“A TASTE OF LOVE”

On Sunday February 8, 2015 at 4pm, The Albuquerque Three Angels Pathfinders and Adventurers held their first fundraiser of the year. Preparations for the occasion started about a week before the special day, as the contributions for the fundraiser dinner were being confirmed with Pathfinder Director Elisa Castillo. A special Club meeting was then held on the night before the event, to decorate the church gym to correlate with the theme of the dinner entitled “A Taste of Love.” What started out as a youth decorating project, grew to include parents from both clubs and other church family, all wanting to help out with the fundraiser. Midway through the decorating, everyone took a break from their “hard work” and fellowshiped with one another, while enjoying pizza and fruit salad. With a little coaxing the Pathfinders and Adventurers returned to their “posts” and finished decorating for the night. Director Castillo then briefed the young people about the importance of working as a team during fundraiser functions. The Pathfinder leader then closed the meeting with prayer and dismissed both clubs reminding them to dress in black and white for tomorrow’s event.

Blessed are the peacemakers, for they shall be called sons of God. Matt. 5:9

Pathfinders and Adventurers, dressed in black and white, are ready to serve guests at the “Taste of Love” Valentine Dinner Fundraiser held on Sunday February 8, 2015.

“A TASTE OF LOVE”

The next day, during the 3 o'clock hour, parents from both clubs, brought in their confirmed entrees such as homemade lasagna, fettuccini, salad, garlic bread, desserts and beverages. By the 4 o'clock hour Pathfinders and Adventurers, in their black and white attire, began serving the Italian cuisine to their guests. If a guest was in need of anything, there was no need to leave their table, a Pathfinder or Adventurer waiter or waitress would get it for them. Cupcakes and cream puffs with sparkling apple cider were “the icing on the cake” to a delicious dinner. The older Pathfinders could be seen carrying trays of cream puffs to the guest's tables, followed by other Pathfinders pouring sparkling apple cider into champagne glasses for each guest. Moises Loya and Lawrence Tafoya contributed their time to the fundraiser by organizing a variety of music and musical videos for guests to enjoy during the event. Nick Boucher also contributed his time to the fundraiser by capturing special moments with his camera throughout the course of the event. During the last half hour of the fundraiser, Director Castillo led the way in the “Open Mike” segment of the dinner, as the floor was open to anyone who wanted to share what their loved ones meant to them. A few parents were caught wiping tears from their eyes as they witness their children express how much they meant to them. The event was brought to a close with a dozen roses being awarded to Lottie Tafoya for being married the longest, 36 years. Thank you to the Pathfinder and Adventurer Families and friends, and to our church family for taking the time to support both clubs with your time and contributions. It's through fundraisers like these that our young people can exercise critical thinking skills and also learn to realize the importance of working as a team.

Pathfinders Arturo Carrera and Abed Charles are the first to welcome guests as they arrived for the “Taste of Love” Fundraiser Dinner.
